## LIFESTYLE CLIMBMILL

Give the people you serve a stair-climbing workout that's simple, reliable and satisfying with our compact design.

**Our Lifestyle Climbmill is ideal for** multi-family housing, small hotels, corporate facilities and municipal buildings. Compact design brings secure climbing workouts to facilities with lower ceilings, and durable components will keep your people climbing for years. It's even as easy to service as it is to use, minimizing downtime.

Control Drive stops stairs immediately if anything pushes against the direction of rotation for stair-climbing security, while deep steps and positioning software make quality climbing workouts accessible to all the different people you serve.

Oil-free drive system, anti-rust design and our exclusive Sweat Management System reduce maintenance and enhance durability, extending product life.

Easily removable front access panel and modular components streamline maintenance
