## PERFORMANCE HYBRID CYCLE

Let members experience a ride unlike any other with a hybrid cycle of unmatched durability.

**Our Performance Hybrid Cycle is ideal for** heavy use and intense rides in the world's finest fitness facilities. The 45-degree angle of our command seating position optimizes ergonomics for maximum comfort and workout efficiency, and the robust components are tested against the most demanding benchmarks to withstand intense environments.

Custom-molded handlebars fit the hand comfortably, while intuitive one-handed adjustment fine-tunes the seat to users of different heights. Includes Ergo Form seat and pivoting arm rests for comfort, plus oversized self-balancing pedals for quick starts.

Conveniently placed controls provide tactile feedback, and low step-over height offers easy entry and exit. Includes bottle holder for on-hand hydration.

Top-down leveling, an integrated transport handle and a three-piece crank with forged arms and integrated pullers streamline service and maintenance.
