## PERFORMANCE UPRIGHT CYCLE

Discover an unmatched race-inspired riding experience with an upright cycle that will go further than anything you put next to it.

**Our Performance Upright Cycle is ideal for** heavy use and intense rides in the world's finest fitness facilities. Race-inspired handlebars with elbow rests and refined ergonomic details create the feel of a real outdoor ride, and the robust components are tested against the most demanding benchmarks to withstand intense environments.

Custom-molded, race-inspired handlebars are comfortably contoured and include elbow rests, while intuitive one-handed adjustment fine-tunes the seat to users of different heights. Includes Ergo Form seat for comfort and oversized self-balancing pedals for quick starts.

Conveniently placed controls provide tactile feedback, and low step-over height offers easy entry and exit. Includes dual bottle holders and accessory tray.

Top-down leveling, an integrated transport handle and a three-piece crank with forged arms and integrated pullers streamline service and maintenance.
